Hublot

Hublot is a luxury watch brand known for its "fusion of sports and luxury" theme. The brand was founded in 1980 by Carlo Crocco and is now owned by the LVMH group. Hublot's watches are characterized by their use of rubber straps and the iconic "Tourbillon" logo, which is a stylized 'H' with a crown on top. The brand has a strong presence in the sports and racing world, with collaborations with teams like Ferrari and Formula 1 drivers. Hublot's watches are available in various price ranges, from entry-level models to high-end timepieces. The brand's marketing strategy focuses on creating a sense of exclusivity and luxury, often through limited editions and collaborations with other brands. Hublot's watches are highly sought after by collectors and enthusiasts alike, and the brand continues to expand its reach in the global market.
